Sir,

With reference to your official Memorandum No L 8093 dated 10th April 1924, re the appeal petition presented by Narayan Raj, the then Sanitary Maistry, Gubbi Municipal Council against the order of the President, Gubbi Town Municipal, reducing his pay by Rs 5/- etc ,I have the honor to state as follows --

2 When I paid a surprise visit to the town polling - station in the evening of the 15th February 1924 it was brought to my notice that the petitioner who had seated himself at the entrance of the polling room, brought to bear on the voters undue influence by persuading them to vote for Mr S Murugappa a candidate at the election

3 The polling officer also stated that when there was a complaint brought to him to the same effect by a certain candidate, he asked the official to get out of the room As the conduct of the Sanitary - Maistry was most reprehensible and deserving of serious notice, I directed the Amildar President to take his explanation and submit it with his - - remarks for my orders The Amildar President who was engaged elsewhere, as a polling officer on the same date, soon after his return to Head - - Quarters, held an enquiry and recorded the statements of the marginally* noted persons (who were engaged in - helping the polling officer) about the alleged irregularities which had been brought to his notice Summing up and discussing all the facts recorded by him and comparing these with the contents of the polling officers -

letter addressed to him in the matter, the Amildar President was not only convinced that the conduct of the complainant (Sanitary Maistry) was - highly suspicious, but he also recommended for an exemplary punishment - being inflicted on the official at fault by reducing his pay by Rs 5/- and laid much stress upon his immediate transfer to some other place, as in his (Amuldars) dealings with the official, regarding Municipal work, he found him to be untrustworthy, insubordinate and possessing a bad & untrustworthy - character (vide his confidential report No 50/C. dated 20th February '24)

4 Further when the election case, in which this official had much to do, came up before me in Appeal (objection petition No. 2/23-24 on the file of Deputy Commissioner's Court at Tumkur which was also up-held by - Government in their Order No P 750/R A 29-23-59 dated 18th August 1924 wher appealed against), I have after hearing the appeal case, in detail, - already observed on the conduct of the Sanitary Maistry as ~~on this~~ below -

"

In the present case what is the exact position? While he was clearly disobeyed the orders of the Amildar President, and he has not come forward to explain his conduct and treated with scant courtesy, the polling officer, he was been found to have been actively and zealously and doggedly engaged in furthering the cause and the interest of the opponent, who is his master! In fact he is proved to have been so defiant of his master's adversaries and so un-mindful of the consequences of his acts, that as soon as he was turned out of the polling room, and thus prevented from interfering with the voters, he immediately plunged into the turmoil outside, and began openly to canvas for votes for the opponent, so much so that his doings attracted the attention of the other candidate Mr Gangappa, who went and complained against him to the polling officer I have no hesitation in saying that the Sanitary Maistry was doing all this as an agent of the opponent for which he must be held responsible "

5. For the above reasons, I reduced his pay by Rs 5/- and transferred him & to the Turuvekere Sub Taluk as recommended by the Amildar President, Gubbi The Deputy Amildar of Turuvekere has reported in his No 78 dated 27th May 1924 that the official reported himself for duty on 17th April 1924 & a few days - after this he went on 5 days casusal leave, on the expiry of which he applied for one months privilege leave, which was treated as leave without allowances and the fact intimated to him, and that he has since resumed his appointment

appointment I learn lately from the President, District Board, Hassan that this individual has been employed as Sanitary Inspector of the Saklespur Municipality I shall obtain his explanation for having approached the Government direct with this appeal petition, which shows want of discipline in him as a Government servant, and forward the same to you in due course.

Sir

With reference to your letter No.G.C. 1141-44, dated 2/3rd September 1925 forwarding a copy of letter No.L.1353/P.L. 10-23-25, dated 27th August 1925. received from the Secretary to Government, Local and Legislative Departments requesting you whether any enquiries were made of the antecedents of Narayanaraju before he was appointed as Sanitary Inspector and posted to the Saklespur Municipality, and if not, why no such enquiries were done, I have the honour to state that on the abolition of the post of the Frontier Sanitary Inspector at the Sakleshpur Taluk, the services of Sanitary Inspector by name Khajamohiuddin who had been appointed by the then Deputy Commissioner Mr. T. Venkoba Rao as Frontier Sanitary Inspector, had to be dispensed with though he had already put in a few years service by that time.

About this time Government having, in their order No. L.3137-3 P.L. dated-11, dated 1st October 1925, sanctioned the appointment of a Selection Grade Sanitary Inspector on Rs.40 plus 10 for the Sakleshpur Municipality, the then Deputy Commissioner came to have appointed this K. Khajamohiyuddin, as Sanitary Inspector of the Sakleshpur Municipal Council with effect and I therefore discontinued [illegible] to the [illegible] by the Municipality [illegible]

[illegible] Commissioner in his G.O. No. G.C. 1143-44, dated 4th April 1925, addressed to the Municipal Council [illegible] Sanitary Inspector [illegible] Commissioner

elsewhere under the Board as the official was getting [illegible] at that time of his posting to the newly sanctioned appointment and had also earned his increment on [illegible] since April [illegible] and that as the Municipal Council was not in a position to pay over and above the scale sanctioned by Government.

Just at about this time, Narayanaraju the incumbent in question appeared before me and applied for an appointment and on questioning him about his previous service and qualifications he showed to me a notification which indicated that he had passed the Sanitary Inspectors examination and had stood second in order of merit of successful candidates. He also showed to me testimonials as to the fact of his having passed the said examination and having secured a temporary post in the Health Department in the Corporation of Madras, as well as in the Bangalore City Municipality. His application for appointment also recited these facts, and no mention was made either by him in person or in his application for appointment, that he had served in the Tumkur District at all. Copies of his application and the enclosures thereto are enclosed. Seeing that he was a non-brahmin, and had taken the second rank amongst successful candidates in the examination, and had also put in the 5 months service in Madras and Bangalore in temporary vacancies, he has been declared to have been employed in Chitaldroog and was efficient and possessed of good conduct, he was posted on promotion and that only till the close of that official year i.e., for a period of only about one month and 20 days as a temporary measure. There was no reason for me to know or suspect that he had been employed before in Tumkur or that his antecedents required any further inquiries.

Sir,

In continuation of my letter No 1018-25/L.S G dated the 16th January 1926, re the appointment of Narayanaraju as Sanitary Inspector of the Saklespur Municipality, I have the honour to forward herewith a copy of letter No 353 dated the 14th December 1925 from the President of the District Board, Hassan who made the appointment, together with a copy of the explanation of Narayanaraju received with the Saklespur Municipal President's No 220-25 dated 15th January 1926 in the matter.

2 The President o the Distr aju did not mention to hi about his service in the Tumkur District at the time o his entertain ent in t is District Narayanaraju -- explains that he had resigned his appointment in the Tumkur District when he applied for an appointme t in this district and th t after making a per onal repre-entation of hi case, he h t in his application for appointment, furnishing information therein more with regard to his qualifications From the copy of he application (enclosed) furnished by the President of the District Board, it may be observed that the application was not in the prescribed form, and Narayanraju could not at all have withheld any information about his antecedents, p rticularly of his servi in the Tumkur District if it was in proper form The President of the District Board states that in view of the fact that Narayanraju's ppoint ent was only a temporary one, there was no reason to suspect or enquire nto the details of Narayanraju's antecedents

3 In these circumstances, it seems to me that no further action is called for at this distance of time after the lapse of nearly two years and the matter may be dropped It may further be mentioned that Narayana Raju is reported to be working satisfactorily and the Municipal Council Saklespur have on more than one occasion recorded their opinion to the effect that he may be continued under their employ.
